GOOD HOPE AMERICAN BAPTIST ASSOCIATION

ANNUAL MEETING

August 17, 2025

Submitted by Tina Marshall Mealey

The annual meeting of the Good Hope Association was held on August 17, 2025, at Parchment Valley Baptist Church. Rev. Matt Ash, from Parchment Valley, welcomed everyone to the meeting followed by the opening hymn, Standing on the Promises.

Rev. Toby Wagoner from Ravenswood First Baptist Church preached the annual sermon. The scripture shared during the message was from Mark 2:1-5, Jesus heals a paralyzed man. Toby challenged us to evaluate our perspective or point of view of various situations or things going on in our churches. Are we seeing the barriers we face as opportunities to show kindness, love, and encouragement to those who enter our churches. We need to be more like the friends of the paralytic man and go the extra mile for individuals we encounter each day.

The WVBC had 3 individuals who spoke on behalf of the convention. The first was the Executive Minister, Dr. Mike Sisson. Mike reported there has been a movement of rededication with the youth and young adults from around the state during the past year, along with an increase in church attendance. He also encouraged all the churches to attend the annual meeting in October; Mac Lake will be speaking on how to develop leadership in your church. Mike also encouraged the churches to collect a Mountain State Mission offering to help offset the cost of the various programs from around the state. Rhonda Reed, who serves as a missionary in Bolivia, thanked the association for all help provided to her and her family during her husband's illness and after his death. She also shared how she and her husband benefited from the programs offered by the WVBC throughout their years together. Teresa Miller was the last person to speak, she too was very appreciative of the support the GHA had given to her and her husband, Frank while they worked at Parchment Valley Conference Center.

Keith Miller, from Gilboa Baptist Church, who serves as the chairperson of missions, reported on the mission trips the association had supported during the past year. He also shared the Good Hope Executive Committee would like to develop a long-term recovery team for the state of WV. He encouraged everyone to be in prayer for this ministry. He finished his presentation by saying, "You need to go where the Lord calls you to go".

The congregation sang a second hymn, Great Is Thy Faithfulness, followed by the offering and doxology. The total amount for the offering was \$297.00.

Kathy Hudson from Ravenswood First held the memorial service for those members who had passed away this year. She opened by reading 2 Corinthians 4:16-18, she encouraged us to keep climbing our mountain. We are all in different stages of our climb, the eternal glory far outweighs all our trials and troubles here on this earth. Kathy closed by reading Ephesians 3:14-21.

Andy Robinson made a motion to close the business session of the meeting, Steve White seconded the motion, motion carried.

The annual meeting for 2026, will be held at First Baptist Church of Spencer on August 16, 2026, with Mike Kelly preaching the annual sermon.

The congregation sang a closing hymn, and Keith Miller closed with prayer.

In response to the challenges in the community due to a pause in S.N.A.P. benefits Pastor Mark assembled a team of church members to assemble bag lunches each Saturday morning to distribute to designated sites in our community (low income housing, senior living apartment buildings, etc.) to help alleviate some of the strain of obtaining meals. The M.E.A.L.S. (Multisite Evangelism And Lunch Services) ministry has continued after the pause by distributing 150+ lunches each Saturday morning as well as providing emotional comfort and support in addition to prayer support to the recipients. This program and our continuing Dinner Church ministry (The Table) both operate with monetary donations and time given by volunteer workers each week.

Additionally, our congregation has taken on the responsibility of coordinating, promoting and staffing the bi-monthly distribution of food items provided by Mountaineer Food Bank for residents of Roane County to help meet the nutritional needs of those experiencing food challenges.
